Reverse Endocrine Diseases • Manage Chronic Conditions • Enhance Wellness & Longevity

ABOUT US

The **Metabolic Center for Wellness** is a unique medical practice established to reverse endocrine diseases, manage chronic conditions, and enhance wellness and longevity. Led by Dr. Angela Mazza, the practice takes an individualized, holistic approach to healthcare based on the latest medical findings. Whenever possible, she seeks to reduce medication dependency and improve quality of life through diet, exercise and supplement modifications. For the convenience of her patients, Dr. Mazza is one of a few Central Florida endocrinologists who offers key medical procedures and wellness therapies in the office. The practice has a strong focus on education—empowering patients to participate in their own healthcare decisions.

Key areas of focus include:

- Radiofrequency Ablation of Thyroid Nodules
- Thyroid Disease
- Hormonal Imbalance
- Bioidentical Hormone Pellet Therapy
- IV Therapy and Injections
- Nutraceuticals
- Medical Cannabis
